[Verse 1:]

Hi, I'm Jimmy and I'm an addict
The first step to your heart's to admit it
I've been sent to rehab for being under the
influence of you
I'm not into drugs or booze, no.. I'm just love drunk
kinda dude, and I need you to
pick me up cause I'm falling so hard for you oh [Hook:]
And I've been down this road before
But its worth a fall
Cause I'm hooked on you and I need my fix
tonight ohhh
If loving you's against the law then give me 25 to life oh
oh Ohhhh
When we're heartboxing, yeah yeah yeah yeah
heartboxing [Verse 2:]

Tryna run but I'm back again
If this was a game, I'd be a boomerang
And although I know its killing me
Your Love is the only thing that let's me be
And we don't need prescriptions And I'll gladly be the
victim to your addiction
Their ain't no competition baby [Hook:]
And I've been down this road before
But its worth a fall
Cause I'm hooked on you and I need my fix
tonight ooohh
If loving you's against the law then give me 25 to life oh
oh Ohhhh
When we're heartboxing, yeah yeah yeah yeah
heartboxing [Repeat X2] [Bridge:]

I tried to be your friend
I tried to be your lover
But this temporary high, wasn't worth all the drama
So I pack my bags and go to were your
unavailable so I don't have to hurt no more [Hook:]
Cause I'm hooked on you and I need my fix
tonight
If loving you's against the law then give me 25 to life
Yeah yeah Ohhhh
When we're heartboxing, yeah yeah yeah yeah

heartboxing [Repeat till end]
