#### VERSE 1

I'm in love with you girl  
Only one in the world  
You got me trippin over your love  
The only thing that I'm thinking of  
It's that thing that you do  
That keeps me falling for you  
I can't help thinking that you're the one  
You can't help thinking about me

#### CHANNEL

Everybody say  
Oh-----  
We going at it like  
Yeah -----  
When the moment is tight, and you're feeling alright  
And you got to, cause you want to, cause you have to,  
and your body's saying  
Oh -----  
We going at it like  
Yeah -----  
All the chicks and the dudes  
If you're feeling in the mood  
Put your hands up  
And show me what's good

#### CHORUS

There's a feeling tonight  
Feeling tonight, going tonight like  
I, I, I, I said I'm in love with you  
I, I, I, I said I'm in love with you  
Hold on, feelings so strong  
Feeling so strong  
Keep going on like  
I, I, I, I said I'm in love with you  
I, I, I, I said I'm in love with you

#### VERSE 2

So we might go too far  
Take a spaceship to mars  
Or if you like we could just stay in

And catch a movie but not like friends  
Let's not think this thing through  
This is long overdue  
Let's take a trip wherever this goes  
Right from your fingers down to your bones

BRIDGE:

Is it the way you make me feel this way  
Or is it the way you make me say your name  
I wanna make your dreams come true  
Show you what real good loving can do  
This one goes out to me and you

HOOK:

Said I'm in love with you  
Said I'm in love with you, ooh ooh ooh
