VERSE:

Hey Mary, you look so cool
Making all the boys wanna get with you
Power of seduction with every breathe you breath
But once you're in, it's too late to leave
And she'll take you by your weakest point
She and heaven's angels wrapped in a joint
Borrow, beg, steal for your crown
Cause once you're in, the only way out is
Down, down, down, down
Underground, ground

CHORUS:

Mary wanna take you downtown
Mary wanna take you down, Mary wanna take you down
Mary wanna show you around, yeah
Oh Mary what you do, what you do, what you do to me
La, la - la, la

Mary wanna take you downtown
Mary wanna, wanna, wanna, wanna, wanna, wanna
