The Pledge

VERSE 1:

I'll be there when you're nights are low
And I'll be there when your nights are cold
Cause I'm first your boy, and then your friend
So love me like it means something
And I'll be there when your nights are low

CHANNEL:

And I've grown tired, of a love that's expired
Over you, overdue
When I say that I'm leaving tonight
I never do, I never do

CHORUS:

But I can't let you go
If I wanted to, you already know
Sometimes it feels like we wont
Ever make it through
But you already know

Ooh, ooh, ooh, ooh

VERSE 2:

You'll be there when the deed is done
And you'll be there when the battles won
Cause you're first my girl, and then my friend
This time things will be different
You'll be there when the deed is done

BRIDGE:

And I can't let you go
Even if I wanted to
Cause you already know that
I belong to you
