You know a lot of people complainin' About, you know,
rappin' ain't sellin' That's cuz y'all are wack So step
your game up . . . [CHORUS x2] This one here is a PSA
To MCs worldwide and in the USA Sharpen your swords
On your mark, get set, record M.anifest French Connect
[VERSE 1] Stop with the bickering Time for some
listening Let's keep it rollin' Like them tires by Michelin
On some new shenanigans I'm back in the lab again
Ã" Bout to get more green than a heineken They
panicking, pondering, wondering Why I'm traffickin'
Why you meddlin' So cold, I'm dope flow peddlin' Yeah
he's a veteran In the art of lyrical fencing He's a better
man If you flow sick, I got the medicine Rhyme overlord
over board When I jettison Check for him Lyrical weight
champion I got the title Kinda like Obama An African
but soon to be American Idol So old school like I'm vinyl
Taking you back like Doggystyle All night long like
Lionel MVP of the Finals Dwayne Wade, MJ, Dr. J back in
the day I spit so vividly The illest delivery Took a C-
Section to deliver me Now I'm a rhyme demon Only
Jesus can deliver me Kinda like Braille Ã"cause I know
all you are feelin' me [CHORUS] [VERSE 2] Ain't about a
ring bling or things Ain't about cars and clothes Gettin'
low to touch your toes I could give a fuck about how
many niggas you shot But when you drop a 16 it Better
be mean and hot Better rep your block Be creative Be
innovative Hungry and ready to rock the spot
Immaculate spoken by M.Dot You can ask Mims This is
why, This is why I'm hot So real keep your eyes peeled
Sharpen your skill Remember that words can kill At the
same time The same rhyme can get you a deal And If a
penny for my thoughts still applies Give me a mil for
thinkin' this fly This goes out to the true MCs That flow
for the people not the industry For those in the streets
That clap only if you ride a beat If you write a beat Rep
for the true and the [funk] This goes out to the true
MCs Not the one-hit wonders But the true MCs Not
computer thugs on MySpace But lyrical heavyweights
with legitimate fan base [CHORUS] Yeah M.anifest
M.anifest Yo French Connect Sebmaestra M.anifest PSA
True MCs French Connection African Connection And

we out Blaw [Congra drums and Wattstax samples]
Freedom is a road seldom traveled by the multitude
