\*NOTE: Big Mann pronounces Ghetto "Ghetho"\*

{Hook: Big Mann [singing]}  
Will I live or die? Will I survive  
In the Ghetto, in the ghetto, in the ghetto?  
Will I live or die? Will I survive  
In the Ghetto, in the ghetto, in the ghetto?

{Verse 1: Tec-9}  
Shot gun blastin the Grim Reaper done claimed nuttin  
but 15  
Blood to a blood, wha?  
Just seen lil homie last week  
In a drop top with a cell phone  
Twenty inches of chrome suffered 2 to the dome  
But it aint no thing time to bury another one  
Get a T-shirt with a face on it  
Say bye-bye for a little while then run on it  
Best not ride the man of revenge is thinkin about that  
one  
Walk up the block with a head bouncin for another  
example  
Look out! Timmy got his hands on a Semi-automatic  
And is bout that static in mourning to the brothers in  
Natic  
Timmy's mother is a crack head  
Which means Timmy was crack fed  
Thats unfair but point me out somebody who care  
Yet we feed out when that poison exploded, brothers  
gon suffer  
Its a wonder why we got so many dykes, all the woman  
got is each other  
A poor mans reality is a mad mans mentality  
No alteritives no resources  
Fuck college... Street courses  
Niggaz fuckin with dope with out no fear for the pain  
Dead and gone before he gone done bust a hole  
through the vain  
Who's gonna make the babies ladies with pornographic  
ideas?  
Automatically being labeled as a murder fanatic

Slow body process from the greedy to needy  
Got they nuts off in the sand  
Get a faith check, gave it all up to the dope man  
Niggaz robbin they own connects to become the Big  
Tymer  
Bitches gon drop a dime on you send em off where  
they can find yah  
Will I live?

{Hook: Big Mann [singing]}

Will I live or die? Will I survive  
In the Ghetto, in the ghetto, in the ghetto?  
Will I live or die? Will I survive  
In the Ghetto, in the ghetto, in the ghetto?  
Will I live or die? Will I survive  
In the ghetto baby  
In the ghettooooo

{Verse 2: Lil Ya}

Yo, yo I'm only 5 foot 6 but I got big ballz  
I did it all from walk by's to drive by's in a U-Haul  
Not givin a fuck has always been my motto  
I'ma nigga chaser, after paper, bullets hollow  
Dont let me hit yo block in all black nigga  
Bust 50 shots if you dont die I'm comin back nigga  
I been a fool with the tool since my youngin  
Fuck strugglin I'm bout hustlin and bustin  
Some say you gotta crawl before you walk, livin the  
street life  
The same say dont bring a knife to a gun fight  
A couple of people say 2 wrongs dont make a right  
My niggaz say never leave home with out ya plastic  
pipe  
But on the rizeal they betta chizzle I'm ready to kizzle  
And spizzle the blood from my strizzle, ya fizill?  
You done fucked up and met the boss  
Test my nuts if any nigga wanna play the part  
Will I live or die?

{Hook: Big Mann [Singin]}

Will I live or die? Will I survive  
In the Ghetto, in the ghetto, in the ghetto?  
Will I live or die? Will I survive  
In the Ghetto, in the ghetto, in the ghetto?  
Will I live or die? Will I survive  
In the ghetto baby  
In the ghettooooo  
Will I live or die? Will I survive  
In the ghetto baby  
In the ghettooooo  
Will I live...
