The same picture everyday
The young boy's sitting in his room, he start up to say
I hate you father for not beeing home
If I needed your help you left me alone!

If my mother got some work to do
I have to help her where are you?
Face the fact you have to learn
You can't by our love with the money you earn!

Ref:
Welcome father to the real world
Your life burns out
Welcome father to the real world
I start up to shout
FATHER WELCOME to the real world

You aren't here when I grow older
But left all works on my shoulder
You haven't heard when my first word was spoken
You haven't seen when my arm was broken

When I was young our distance has been very far
With twelve I learned how to drive a car.
And now I don't know ho to speak to you
If I visit my mother the man on her side is new!

BUT HE IS BETTER THAN YOU!!!

Ref: Welcome father...

This song is dedicated to my mother.
Her life was hard, I wish her only the very best in her
future.
I love you Mom!!!

Your son Michael
