I feel like I'm flyin',
I won't touch the ground.
I spin it- sorry now
I turn it around
I turn it around
I turn it around!

It doesn't get better than this
I've waited all my life
Just to be like this
There's nothing that I wanna miss
Cause it doesn't get
No it doesn't get
No it doesn't get better than this

Fall
Ooh this was worth it
As I landed with grace
And I, needed to find my way
To get to the place, to get to the place
Now I can't say

It doesn't get better than this
I've waited all my life
Just to be like this!
There's nothing that I wanna miss
Cause it doesn't get
No it doesn't get
No it doesn't get better than…this
Better than this

Nothing's free
Without the sorrow
You're staying
Go tomorrow
Breaking down
Just Think about today!

I've waited all my life, jus to be yeah! Better than this It doesn't get, no, no! Better than this!

Cause it doesn't get No it doesn't get No doesn't get, better than this yeah yeah!

Doesn't get
It doesn't get
No it doesn't get
Better than this
Better than this
No it doesn't get any better
Better than this
