Send "Grab Me By The Collar" Ringtone to your Cell  
The done, test in me  
That gave me an evening of be-e  
An evening for me  
An evening that's normal and free  
It was drift down the wind now to release those  
festivities

The sound in my ears  
The sound the world couldn't hear  
For a while I forgot what I was doing here celebrating  
for

Am I supposed to be young  
Cause young is supposed to be fun  
See I'm trying to have fun  
But I'm struck down with the fear she's moving on

Am I supposed to be in love  
Cause that's what everyone else does  
I feel like I should be but I know am thinking is quite  
enough

So Grab me by the collar  
Lift me and shake me  
Scare me into speaking  
The answers inside so break me and find it  
Cause it won't seem to come to me

Oh it won't seem to come to me  
Oh it won't seem to come to me  
Oh it won't seem to come to me  
Oh it won't seem to come to me  
Oh it won't seem to come to me  
Oh it won't seem to come to me  
Oh it won't seem to come to me  
Oh it won't seem to come to me

So Grab me by the collar  
Lift me and shake me  
Scare me into speaking

The answers inside so break me and find it  
Cause it won't seem to come to me
