Tell me please
So I can get to sleep
Come on let's get moving quicker
So we can all rest our heads

Take my hand
And we'll begin to stand
Through the people, through the kitchen
To the room of the hall

Cause now it's time
For me to clarify
Everything that i've been thinking
But I locked it away

What does it mean
Oh darling what have you seen
Have you seen nothing at all
Please tell me am wrong
Oh what does it mean
Oh darling what have you seen
I've got the same imagination
Since i was fourteen

A must get out my head
Get into yours instead
If I only knew what you were thinking
We could all go to bed
A must get out my head
Get into yours instead
If I only knew what you were thinking
We could all go to bed

What does it mean
Oh darling what have you seen
Have you seen nothing at all
Please tell me it means i'm wrong
Oh what does it mean
Oh darling what have you seen
I've got the same imagination
Since i was fourteen

That I had since I was fourteen
That I had since I was fourteen
