Another day passes by, I'm dreamin' of you
And though I know it might be just a dream,
dreams come true
Somewhere, somehow I'll find you even though it
takes all of my life (all of my life)
And when I finally do (and when I finally do)
I know inside my heart (I know inside my heart)
That there could be no doubt,
I knew it from the start

CHORUS:

(You are the one) You are the one
that I've been searching for
my whole life through
(You are the one) You are the one
that I've been looking for
and now that I found you
I'll never let you go, I'll hold you in my arms
'coz you are the one

Another night spent alone,
I'm lying in the dark
I don't know your name
but I know your voice sings to my heart
(Voice sings to my heart)
A sweet melody, a symphony of love (a sweet melody)
I know that come one day
(I know that come one day)
It's time for you and me,
To finally be together,
'coz I know we're meant to be

CHORUS

Forever is a meaningless word even though
you're here with me
Here by my side, here in my heart

CHORUS
