Song By MOHAMMAD RAFI

kaun apana kaun paraaya - 2

duniya ka ye bhed abhi tak koyi samajh nahin paaya

jivan ki naiya mein sabhi hain raahi ik manzil ke
inhin mein man ke mit milenge inhin mein dushman dil
ke

kisi ke dil mein bhari hai nafarat kisi mein pyaar ki
maaya
kaun apana

bichhade log bhi mil jaate hain kabhi-kabhi jivan mein
kushi ki laharein bhi uthati hain kisi ke dukhiya man
mein
kabhi kisi ne khoya jag mein kabhi kisi ne paaya
kaun apana

koyi muurakh ban ke begaana apanon ko thukaraaye
koyi kisi ki kushi ke kaaran raste se hat jaaye
koyi kinaara chhod ke dhuundhe tuufaanon ka saaya
kaun apana
