Hello girl, it's been awhile  
Guess you'll be glad to know  
That I've learned to laugh and smile  
Gettin' over you was slow

They say old lovers can be good friends  
But I never thought I'd really see you  
I'd really see you again

I go crazy when I look in your eyes  
I still go crazy, no my heart just can't hide  
That old feelin' inside, way deep down inside  
Oh baby, when I look in your eyes, I still go crazy, yeah

You say he satisfies your mind  
And tells you all of his dreams  
I know how much that means to you  
I realize that I was blind

Just when I thought I was over you  
I see your face and it just ain't true  
No it just ain't true

I go crazy, you know when I look in your eyes  
I go crazy, that old flame comes alive  
And it starts burnin' inside, way deep down inside, oh  
baby  
You know when I look in your eyes, I go crazy, crazy,  
yeah

I go crazy, you know when I look in your eyes  
I go crazy and no my heart just can't hide  
That old feelin' inside, way deep down inside

Oh baby, you know when I look in your eyes  
I go crazy and that old flame comes alive  
And it starts burnin' inside, way deep down inside, I go  
crazy
