Why is that sad look in your eyes? Why are you crying?
Tell me now, tell me now, tell me why you're feeling
this way?
I hate to see you so down

Oh baby, is it your heart, ooh breakin' all to pieces
Makin' you cry, makin' you feel blue?
Is there anything I can do?

Why don't you tell me where it hurts now, baby
And I'll do my best to make it better
I'll do my best to make the tears all go away

Just tell me where it hurts, now tell me
And I'll love you with a love so tender
And if you let me stay, I'll love all of the hurt away

Where are all those tears coming from? Why are they
fallin'?
Did somebody somebody somebody leave your heart
in the cold?
You just need somebody to hold

So baby, give me a chance to put back all the pieces
Take your broken heart, make it just like new
There's so many things I can do

Why don't you tell me where it hurts now, baby
And I'll do my best to make it better
I'll do my best to make the tears all go away

Just tell me where it hurts, now tell me
And I'll love you with a love so tender
And if you let me stay, I'll love all of the hurt away

Is it your heart, ooh that's breakin' all in pieces
Makin' you cry, makin' you feel blue?
Is there anything I can do?

Why don't you tell me where it hurts
Tell me where it hurts now, baby
And I'll do my best to make it better

I'll do my best to make the tears all go away

Just tell me where it hurts, now tell me
And I'll love you with a love so tender
And if you let me stay, I'll love all of the hurt away

Tell me where it hurts now, baby
And I'll do my best to make it better
I can make it better, baby
I'm gonna do, I'm gonna do the best I can

Tell me where it hurts, now tell me
And I'll love you with a love so tender
Let me stay, I'll take all your hurt away
Tell me where it hurts now, baby
