I ain't gonna change better give up hope  
I'm one of those guys who'll never be pope  
I'd hang myself with a little more rope  
From the nearest family tree

I guess I broke my daddy's heart  
When I dropped the plow picked up this guitar  
He wanted to leave me the family farm  
But that just wouldn't be me

No, na na na na na  
That just wouldn't be me  
It might be all right for some other guy  
But that just wouldn't be me

I got this friend, he's a pretty nice guy  
Wears Italian suits and power ties  
Bought a German car and a trophy wife  
And his favorite color's green

He wants to teach me bout bonds and stocks  
So I can own a little piece of the rock  
Hell I don't even own two matching socks  
That just wouldn't be me

No, na na na na na  
That just wouldn't be me  
It might be all right for some other guy  
But that just wouldn't be me

One of these days I just might settle down  
Buy a little house in a little town  
Get a wife and kids make my mama proud

No, na na na na na  
That just wouldn't be me  
It might be all right for some other guy  
But that just wouldn't be me

But that just wouldn't be me
