You have a lot going on  
and you can't count it on your fingers  
and if we can't be gone  
she will drop it in the ocean  
no if it can't be strong  
we can always play along  
it's just another day  
it's just another way

brand new love  
I feel it  
I feel it  
uh  
I feel it in my system (2X)

and I don't mind the gutter  
where the losers keep losing out

or we could go to school  
and we can touch the void  
I won't be afraid  
If you won't be afraid

it's just another day  
It's just another way (2X)

brand new love  
I feel it  
I feel it  
uh  
I feel it in my system (2X)

and I don't mind the gutter  
where the losers keep losing up

brand new love  
write your name on the wall  
fall into the distance  
brand new love  
tell no one at all  
fall into the distance

brand new love  
write your name on the wall  
fall into the distance
