Freak me baby (ah yeah)
Freak me baby (yeah just like that)
Freak me baby (come on, come on)
Freak me baby
Let me lick you up and down
Til' you say stop
Let me play with your body baby
Make you real hot
Let me do all the things you want me to do
'cause tonight baby I wanna get freaky with you
Baby don't you understand
I wanna be your nasty man
I wanna make your body scream
Then you will know just what I mean
(then you know what I mean)
24 carat gold
Don't want the night to grow cold
I wanna lick you up and down
And then I wanna lay you down
C'mon sexy
Let me lick you up and down
(lick you up and down)
Til' you say stop
(Everytime I think about You'r Love I want to lick You
down)
Let me play with your body baby
Make you real hot
(And when You get so freaky girl You know I want to
love you now)
Let me do all the things you want me to do
'cause tonight baby I wanna get freaky with you
I love the taste of whipped cream
(Hey)
Spread it on top of me
You know I can't resist you girl
I'll fly you all around the world
(all around the world)
I wanna see your body drip
(oh baby)
C'mon let me take a sip
Take off what you cherish most
'cause when I like to brag or boast

Let me lick you up and down
Til' you say stop
(Everytime I think about You're Love I want to lick You
down)
Let me play with your body baby
Make you real hot
(And when You get so freaky girl You know I want I want
to love you now)
Let me do all the things you want me to do
'cause tonight baby I wanna get freaky with you
Let me lick you up and down to make you're bounted
body wanna scream
Everytime I think about your Love I want to lick you
down
Let me freak you all night long and girl, then you will
know just what
I mean
And when You get so freaky girl You know I want to love
you now
Let me lick you up and down to make you're bounted
body wanna scream
'cause tonight baby I wanna get freaky with you
Let me lick you up and down
Til' you say stop
(Everytime I think about You're Love I want to lick You
down)
Let me play with your body baby
Make you real hot
(And when You get so freaky girl You know I want to
love you now)
Let me do all the things you want me to do
'cause tonight baby I wanna get freaky with you
