I know you've heard this words a hundred other times  
before

And you've been hurting,so your heart has chose to  
close the door

Love broke your heart and brought you lies

Look in my eyes, you'll see a love that's deep an true,  
tender and strong and all for you

You can trust this love

Honest that's the honest truth  
Chorus:

From the heart I'm giving you everything, everything

From the heart I promise you that I'll be there

I'll be there to love you

From the soul, I'm showing you all I feel, all I feel is

From the heart, from the heart  
I will protect you and respect you and be all you need,

and when you reach for love you only need to reach for  
me

These arms will never let you down, they're staying  
around

I'll walk with you through every storm

I'll keep you safe, I'll keep you warm and you'll have no  
doubt

You're the one I'm living for  
Chorus  
Bridge:

I provide the love you need

just trust my touch

believe in me

I'll never make you cry

giving all I got inside

Chorus
