Ain't it hard to believe  
that the love that we had is over  
Thought the house that we built  
was strong enough to last forever

Cause now this party's over  
and you wanna be friends  
but when the music stops  
tell me how will it end  
I could try to pretend  
but if I see you again  
I won't lie  
I might break like the sky

cause inside my tears is falling  
and all I can see is rain  
inside I hear you calling  
but all that I feel is pain

See I used to get mad  
now I'm sad  
guess I'm learning my lesson  
there is no use in tears  
when you know love is not possession  
Cause now this party's over  
and you wanna be friends  
but when the music stops  
tell me how will it end  
I could try to pretend  
but if I see you again  
I won't lie  
I break down and cry

cause inside my tears is falling  
and all I can see is rain  
inside I hear you calling  
but all that I feel is pain

cause inside my tears is falling  
and all I can see is rain  
inside I hear you calling  
but all that I feel is pain
