chorus

we'll be together again  
we'll be the same as back then, back then  
i had the love u were looking for  
im telling u baby, we'll meet once more  
we'll be together again  
we'll be the same as back, back then  
still got the love u were looking for  
im telling u baby we'll meet once more

The first time i saw u babe, girl u knocked me off my feet  
must of been the curiosity, cupid drew ur eyes to me  
u were giving me a hard time, hanging with ur gang  
time crew  
it will take forever babe, til u let me give my game to u  
no sense, your friends wanna get rid of me whats it  
gonna be?  
its to late hearsay, u heard some rumours then u  
slipped away

chorus

Tell me what you doing now, what u like before u  
sleep?  
I once swore to do u right, that is a promise i intend to  
keep  
so tell me do u have a boyfriend and would he ever let  
u go?  
the thought of it is killing me, baby get on the floor cos  
i need to know  
no sense your friends wanna get rid of me whats it  
gonna be?  
its too late hearsay u heard some rumours then u  
slipped away

chorus

show me love, its only u  
on my mind its only u  
its ur call what u wanna do  
u gotta be down and u gotta be true

show me love, its only u  
on my mind, its only u  
its ur call what u wanna do  
anytime baby, anytime baby
