Angel I love you
You know I love you, but what can I say
You're not really here anymore and I know it
It's gettin late, they're waitin outside
You're gonna run away, hey
One more time, it might be too late

CHORUS

Angel say no
You'd better ru--un
Angel say no, no, no
Baby, don't you go

Don't try to tell me
Baby, don't tell me
Hey! I already know
You got that look in your eyes that shows me
Hey! I can't take it; I just can't take it
When you start to go
Well, any American boy would feel the same way

CHORUS

Cause you know I'm right
It's another night
You're gonna take that ride
Hey! No, no, no, no

CHORUS

Baby, don't you go
K on, walk on
Go

You better run now

You better run now

Yeah! You better run for your life
They'll want to get you, yeah
They got a needle in the house?

A-ngel say no
