Words and Music by Richard Curtis and Michael Curtis

it was a blue letter she wrote to me

it's silver words she told "wanna be on the road to
paradise,

i wanna lover who don't get old"

CHORUS:

do i read the message in your eyes

you wanna love to stay another night

hey baby when your day goes down

i won't be waitin' around for you

for every voice you ever heard - there's a thousand
without a word

red bird...don't say you told me so, just give me one
more song to go

(repeat chorus)
