Words and Music by Lindsey Buckingham

standin' in the shadows
the man i used to be
i wanna go back (can't go back....can't go back)

melodies awaken
sorrows from their sleep
i wanna go back (can't go back....can't go back)

she was just a dream maker
dreamer of sighs
shadow on the one who used to cry
a face as soft as
a tear in a clown's eye
i wanna go back (can't go back....can't go back)

(repeat second verse)
