do you always trust your first initial feeling

special knowledge holds truth...bears believing

i turned around and the water was closing all around
like a glove

like the love that had finally finally found me

CHORUS:

then i knew in the crystalline knowledge of you

drove me through the mountains

through the crystal like and clear water fountain

drove me like a magnet

to the sea

to the sea

how the faces of love have changed, i'm turning the
pages

and i have changed, oh but you, you remain ageless

(repeat chorus)
