My little demon, comin'on down.

My little demon's turnin' me around.

all of my friends keep on tellin'me

that I just ain't the man I used to be.

I really don't like it...ain't nothing I can do.

I really don't like it...I'm leaving it to you.

My little demon, making me choose.

Making me an offer I can't refuse.

Hard as a rock,dry as a bone...

Big or little,know that I will take you home.

I really don't like it...ain't nothin'I can do.

I really don't like it...I'm leaving it to you.

Why try to hide it?

Fight it...fight it!

I really don't like it...ain't nothin'I can do.

I really don't like it...I'm leaving it to you.

My little demon is coming after me.

My little demon...

It's all that I can do to keep that little demon...

To keep that little demon...

Just to keep that little demon away from you
