Christine McVie)

Come on baby, could you ever be

Just a little close to me

Ooh ooh ooh

Could we ever forget tonight?

Come on baby, let's take a stroll

You're feelin' warm so don't be cold

Ooh ooh oh

We'll never forget tonight

What a wonderful night to be

The stars must be my friends

To shine for me.

Come on baby, now don't you be cold

Just remember that love is gold

Ooh ooh

We will never forget tonight
