Words and Music by Christine McVie

\*\*With special inspiration by Dennis Wilson

i'm out of my mind

and it's only over you

i'm out of my mind

and it's only over you

people think i'm crazy

but they don't know

thought love had failed me

but now, they're watching it grow

angel, please don't go

i miss you when you're gone

they say i'm a silly girl

but i'm not a fool

people say they know me

but they don't see

my heart's your future

your future is me

angel, please don't go

i miss you when you're gone

they say i'm a silly girl

but i'm not a fool

i'm out of my mind

and it's only over you

i'm out of my mind

and it's only over you

(repeat)
