you can take me to paradise

and then again you can be cold as ice

i'm over my head

but it sure feels nice

you can take me anytime you like

i'll be around if you think you might

love me baby

and hold me tight

your mood is like a circus wheel

you're changin' all the time

sometimes i can't help but feel

that i'm wastin' all of my time....

think i'm lookin' on the dark side

but everyday you hurt my pride

i'm over my head

but it sure feels nice

i'm over my head

but it sure feels nice
