wait a minute baby...
stay with me a while
said you'd give me light
but you never told me about the fire
drowning in the sea of love
where everyone would love to drown
and now its gone
it doesn't matter anymore
when you uild your house
then call me home
and he was just like a great dark wing
within the wings of a storm
i think i had met my match - he was singing
and undiong the laces
undoing the laces
the night is coming and the starling
flew for days
i'd stay at home at night all the time
i'd go anywhere, anywhere
ask me and i'll be there because i care
sara, you're the poet in my heart

never change, never stop
and now it's gone
it doesn't matter what for
when you build your house, i'll come by
all i ever wanted
was to know that you were dreaming
[theres a heartbeat
and it never really died
