have mercy baby on a poor girl like me
you know i'm fallin' fallin' fallin' at your feet
i'm tingling right from my head to my toes
so help me help me help me make the feeling grow

CHORUS:

'cause when the loving starts and the lights go down
and there's not another living soul around
you can rule me until the sun comes up
and you say that you love me
have pity baby just when i thought it was over
now you got me runnin', runnin', runnin' for cover
i'm begging you for a little sympathy
'cause if you use me again it'll be the end of me

(repeat chorus)

baby, baby, hope you're gonna stay away
'cause i'm getting weaker, weaker everyday
i guess i'm not as strong as i used to be
and if you use me again it'll be the end of me

(repeat chorus)

fallin', fallin', fallin'.....

(repeat
