So long ago

Certain place

Certain time

You touched my hand

All the way

All the way down to Emmiline

But if our paths never cross

Well you know I'm sorry but

If I live to see the seven wonders

I'll make a path to the rainbow's end

I'll never live to match the beauty again

The rainbow's end

So it's hard to find

Someone with that kind of intensity

You touched my hand I played it cool

And you reached out your hand for me

But if our paths never cross

Well you know I'm sorry but

If I live to see the seven wonders

I'll make a path to the rainbow's end

I'll never live to match the beauty again

The rainbow's end
So long ago
It's a certain time
It's a certain place
You touched my hand and you smiled
All the way back you held out your hand
If I hope and I pray
Ooh it might work out someday
If I live to see the seven wonders
I'll make a path to the rainbow's end
I'll never live to match the beauty again
If I live to see the seven wonders
I'll make a path to the rainbow's end
I'll never live to match the beauty again
If I live to see the seven wonders
I'll make a path to the rainbow's end
I'll never live to match the beauty again
