Words and Music by Stevie Nicks

what can i say this time

which card shall i play

the dream is not over

the dream is just away

and you will fly like some little wing

straight back to the sun

the dream was never over

the dream has just begun

the dream has just begun.....dream....

my fingers find the ivory keys

ans a song begins to begin

like a wolf...on the run

and you will find

while in the wind

something that you lost

the dream was never over...no...

the dream was only lost

(hours and hours of waiting for you, so strong and so
fleeting)

the dream has just begun

(and hours of waiting for you...in hopes of meeting)

the dream has just begun

(meeting this way)

well, the dream has just begun!

she remembers how good it can be...

he remembers a melody...

ah...in the shadow of my shadow....in a gleam...

he remembers how good it can be....

she remembers a melody.....

well...in the shadow of my shadow....in a
dream...whoa....

(hours and hours of waiting for you...so strong and so
fleeting)

the dream has just begun

(hours and hours of waiting this way...meeting me...)

and hours of waiting for you

(so strong and so fleeting)

the dream has just begun

(i'm tired of meeting this way)

straight back now

(hours and hours of waiting...so strong and so fleeting)

hours and hours of waiting this way

hours and hours of waiting this way

straight back

straight back

straight back.....yeah!!

he remembers a melody...

he remembers how good it can be...

straight back

straight back

straight back.....yeah!!
