well i need a sugar daddy

he could be my friend

and if i needed money

i know he would lend me a hand

CHORUS:

but when it comes to loving

he'd better leave me alone

'cause i've got you baby

and you give me all the love i need

yes you give me all the love i need

and when i get a little hungry

he could give me all i could eat

and if i needed whiskey

he could serve it to me neat

(repeat chorus)

all that i want is someone to take care of me

i'm not asking for love

just a little sympathy

and he could pick me up

in a big, fancy car

then i could pretend

i was a big movie star

(repeat chorus)

all that i want is someone to take care of me

i'm not asking for love

just a little sympathy

i'm not asking for love

i'm not asking for love
