"Temporary One"

Where are you darlin', when my

Moon is risin', and your

Sun is shinin' down

What are you doin', are you

Missin' me

The way that I'm missin' you now

CHORUS:

The river goes on and on, and the

Sea that divides us is a

Temporary one, and the

Bridge will bring us back together

What are you doin', goin'

Down in to Soho as I

Take my rest tonight

What are you doin', are you

Busy with your world

Well I wish you were busy with mine

(repeat chorus four times)
