Words and Music by Stevie Nicks

meet me down by the railway station  
i've been waiting...and i'm through waiting for you  
the train sings the same kind of blues

well i don't know why i always trusted  
sometimes i think i must have....i must have been crazy  
crazy to wait on you baby

well i turned around and got pushed down, baby  
now i decided yesterday that i would leave you  
i'm alright.....

CHORUS:

please...i've been takin' my time  
you know, it's been on my mind  
i hope you find a love  
your own designs of love  
that's alright....  
that's alright

i believe....i believe that i know you  
'cause we've been a long time, and now i've got to  
show you that i...  
well, i never did beleive in time  
you know...changin' anybody's mind

now i can't define love like it should be  
that's alright...  
that's alright...

(repeat chorus)
