When the sun goes down and the moon shines bright,
honey, if you call my name, I will take away your pain,
I will take good care of you tonight.

Somebody broke your heart, tore your world apart,
but that's all over, it's a brave new day.

Somebody made you cry, took away your pride, but
that's all over, let's

be on our way.

When the sun goes down, and the moon shines bright,
in my arms it's safe and warm, I give you shelter from
the storm,

I will take good care of you tonight.

Somebody made you sad, treated you so bad, but
that's all over - I won't

let you down.

Well, he was just a fool, wonder why so cruel, but you'll
forget him,

when I come around.

When the sun goes down, and the moon rises high,

Honey, open up your door and you won't have to hurt
no more,

I will take good care of you tonight.

Well, step out of the shadows, let the night begin, when
you hear me

knockin', let me in!

(Guitar Solo)

When the sun goes down, and the moon shines bright,

Honey, if you call my name, I will take away your pain,

I will take good care of you tonight.

When the sun goes down, and the moon rises high,

in my arms it's safe and warm, I give you shelter from
the storm,

I will take good care of you tonight.

Hurry, open up your door, and you won't have to hurt
no more,

I will take good care of you tonight
