Words by Christine McVie, Music by Colin Allen

there's distance between us

and you're on my mind

as i lay here in the darkness

i can find no peace inside

CHORUS:

i wish you were here

holding me tight

if i had you near

it would make it alright

i wish you were here

'cause i feel like a child tonight

there's rain on my window

i can count the drops

but i can't help feeling lonely

there's no way i can stop

(repeat chorus)

each moment is a memory

time is so unkind

every hour, filled with an emptiness

i can't hide

(repeat first verse)
