KISSIN' IN THE BACK ROW OF THE MOVIES

Your Momma says that through the week you can't go out with me

but when the weekends comes around she knows where we will be.

Kissin' in the back row of the movies on a Saturday night with you.

Holdin' hands together, you and I, holdin' hands together, oh yes.

Smoochin' in the back row of the movies on a Saturday night with you

we could stay forever, you and I, we could stay forever, you and I.

Huggin' and a kissin' in the back row of the movies.

Every night I pick you up from school 'cos you re my steady date

but from Monday through to Friday night I leave you at the gate.

You know we can't have too much fun till all your homework's done

but when the weekend comes she knows where we will be, yeah.

Kissin' in the back row of the movies on a Saturday night with you.

Holdin' hands together, you and I, holdin' hands together, oh yes.

Smoochin' in the back row of the movies on a Saturday

night with you

we could stay forever, you and I, we could stay forever,
you and I.

Huggin' and a kissin' in the back row of the movies.

I sit alone at night and watch TV but I still think of you

and now and then the gang drops by, we share a joke
or two.

You know they don't knock on my door after Friday
night for sure

'cos when the weekend comes they know just where
we'll be.

Kissin' in the back row of the movies on a Saturday
night with you.

Holdin' hands together, you and I, holdin' hands
together, oh yes.

Smoochin' in the back row of the movies on a Saturday
night with you

we could stay forever, you and I, we could stay forever,
you and I.

Huggin' and a kissin' in the back row of the movies,
yeah.

Huggin' and a kissin' in the back row of the movies.
