I won't see 'til you come back
I won't sing 'til you know that
And it won't be long
'Til you know my songs

Then I'll know, and you'll come back

I won't move til you love me
I won't dance til you hold me
And it won't be long
'Til you know my songs

Then you'll know, and you'll come back

And I won't see a light 'til you come back to me
And I won't feel a breeze 'til I hear your housekey
And I won't hear a sound 'til you fall to my knees,
Sayin' "please, don't leave me"

I won't breathe 'til you're with me,
And my heart won't beat, Lord forbid me
And it won't be long
'Til you hear this song

And you'll turn to me

And I won't see a light 'til you come back to me
And I won't feel a breeze 'til I hear your housekey
And I won't hear a sound 'til you fall to my knees,
Sayin' "please, don't leave me"
Sayin' "please, don't leave me"

And I'll leave you, Marie
With your bags at your feet
And your frame dropped to your knees

I think we'll be even then, don't you agree?
I think we'll be even then, don't you agree?
Yeah, I think we'll be even then,
Don't you agree?
