Never knew I could feel like this

Like I've never seen the sky before

I want to vanish inside your kiss

Every day I'm loving you more and more

Listen to my heart, can you hear it sings

Telling me to give you everything

Seasons may change, winter to spring

But I love you until the end of time

Chorus:

Come what may

Come what may

I will love you until my dying day

Suddenly the world seems such a perfect place

Suddenly it moves with such a perfect grace

Suddenly my life doesn't seem such a waste

It all revolves around you

And there's no mountain too high

No river too wide

Sing out this song I'll be there by your side

Storm clouds may gather

And stars may collide

But I love you until the end of time

Chorus

Oh, come what may, come what may

I will love you, I will love you

Suddenly the world seems such a perfect place

Chorus
