so heres
the story
i never showed
no feeling until
i finally cracked
carried the sadness
with me where ever
i went

so i'm just
gonna fly away
i cracked so now
its time for me to
fly away just got
up and left without
a single word gonna
fly away

everyone saw
the sadness in
my eyes i told
them i'd be
fine they saw
the lies in my
eyes

chours
so i'm just
gonna fly away
i carcked so now
its time for me to
fly away just got
up and left without
a single word gonna
fly away

no more
perfect
smile
on my face
been told

so many
times feel
like i'm a
disgrace

chours
so i'm just
gonna fly away
i cracked so now
its time for me to
fly away just got
up and left without
a single word gonna
fly away

Thanks to kewi
