My gothic lolita tradgey
Who said that fashion was easy
My gothic Lolita tragedy
Thank god i look so damn pretty

Metamorhopse temp de Files
This Victorian style looks so good on me
Kana can I steal your clothes?
Tell me the secreats that nobody knows
Screw Sundays I cant wait
Ill wear lace in my school hallways
None of thoes normal clothes that I hate
I'll even bring an Umbrella on a date

(Chours)
Comme de Garcon
Moi memme Moitie
Baby the Stars Shine Bright Everyday
Sexy Dynamite London I feel like dancing all night long

My gothic lolita tradgey
Who said that fashion was easy
My gothic Lolita tragedy
Thank god i look so damn pretty

Black Peace now
lots of sex pot
can i say that world?
Lolitas are cute not heard
My super lovers rock
and I care about what I wear
becuase I'm a Lolita with all my curley hair

(Chours)
Comme de Garcon
Moi memme Moitie
Baby the Stars Shine Bright Everyday
Sexy Dynamite London I feel like dancing all night long
Sexy Dynamite London I feel like dancing all night long
Sexy Dynamite London I feel like dancing all night long

My gothic Lolita tradgey
Who said that fashion was easy
My gothic Lolita tragedy
Thank god i look so damn pretty

The boys may think I'm crazy
but the hot ones think im cool
The fashion magazine's love me
but I'm known as a freak in school
I'm changing up the rules
I'm doing what I want
and if theres one thing I've heard
its not to hide but to flaunt

(Chours)
Comme de Garcon
Moi memme Moitie
Baby the Stars Shine Bright Everyday
Sexy Dynamite London I feel like dancing all night long
x3
Sexy Dynamite London I feel like dancing all night long
i feel like dancing.....
