"Beautiful Lie"

Yesterday, today, tomorrow
Fade away like frozen photographs.
Remember, forget
The stakes, the ways you take,
The ways you make the moments pass.
For every regret,
I tell a beautiful lie.
And I would die if you find out.
I tell a beautiful lie every time that I
did not open up my mouth.
All the same, its a game,
its a play, its a war,
its a shame that were always fighting for.
I dont mean to cast no blame,
I dont intend to pretend that I could, never loved you
more.
But in the blink of an eye, everything you ever knew can
change
And its a beautiful lie if you think everything will always
stay the same.
Babe.
My babe.
You got a secret its starting to show.
My babe.
Sweet babe.
How long can you keep it?
How far would you go?
You tell a beautiful lie.
You tell a beautiful lie.
And its going to, its going to drive you crazy.
Babe
My babe.
Its starting to show.
My babe.
Sweet babe.
How far would you go, go, go to tell a beautiful lie?
Yesterday, today, tomorrow
Fade away like frozen photographs
Remember, forget
Forever.
Lie.

Babe...lie.
Beautiful lÃe.
