[Jim Carrey:]

Tone, put that big ass size thirteen on and kick it for the homies

[Tarzan yell]

Just call him my dog, man

[Verse 1: Tone Loc]

Trix/tricks are for kids, and men are for tricks

Ace

He's the number one pet

Dick

No need for a fireman

When your cat's up a tree, he's the one that you hire,
man

Known to bring 'em back alive

If your cat's scratched, or if your turkey got jive

A little loco en la cabeza, but still got charm

Brought 'em back to Ol' MacDonald's farm

So hey diddle diddle, what's laid in the park

Chasin' more pets than Noah's Ark

No need for a paint if numbers get deleted

Ace on the case, and the job is completed

Simple as Simon, when I start rhymin'

Always tell the truth, so you know I'm not lyin'

Down with the ladies as a lover

Undercover

[Break 1:]

[Tone Loc:] Yo, tell 'em where he's at, my brothers

[Crowd:]

Yo, Ace is in the house

Yo, Ace is in the house

[Tone Loc:] Yo, tell 'em where Ace is at

[Crowd:] Yo, Ace is in the house

[Tone Loc:] Uh, I don't believe they heard you

[Crowd:] Yo, Ace is in the house

[Tone Loc:] Is he all up in the house

[Crowd:]

Yo, Ace is in the house

Yo, Ace is in the house

Yo, Ace is in the house

Yo, Ace is in the house

[Verse 2:]

Well

If Ace is in the house, so must be Loc
Blowin' up like a cloud of smoke
Checkin' all of his bitches at home
But I'm the dog with the biggest bone (WOOF!)
I grip the mic like pliers, no one's flyer
Yo, Ace is for hire
A floor room show piece
Solvin' more crimes than the hot damn police
Tryin' to do it legal
Lookin' for a dolphin, beating on a eagle
Nothin' ever planned
Remember, Ace got the face of a helpful detective man
Crazy like Harpo
Busted-out windows in his Monte Carlo
Loud clothes, black boots
Dutch style hair, no time for a suit
But I don't give a damn if he's way out
Yo, tell him who's in the house

[Break 2:]

[Crowd:] Yo, Ace is in the house
[Tone Loc:] I don't believe they heard ya
[Crowd:] Yo, Ace is in the house
[Tone Loc:] Yo, tell 'em one more time
[Crowd:] Yo, Ace is in the house
[Tone Loc:] Tell 'em who's in the house
[Crowd:] Yo, Ace is in the house
[Tone Loc:] I don't believe they heard ya
[Crowd:] Yo, Ace is in the house
[Tone Loc:] Is he runnin' thangs
[Crowd:] Yo, Ace is in the house
[Tone Loc:] Is he doin' thangs
[Crowd:] Yo, Ace is in the house
[Tone Loc:] I need to know
[Crowd:] Yo, Ace is in the house

[Jim Carrey:]

Don't worry, ma'am
Ace'll find your pussy
CAT, that is

[Tone Loc:]

You know, uh, Ace
I was, uh, checking you out and everythang, and
I have to admit
You are the best pet detective there is
Although, uh, you are the only pet detective there is,

but
You're still number one
I got to go, uh
My zebra's double parked outside
Peace
To the west side tribe
Tell 'em who's in the house

[Female:]
Ace is in the house
I said Ace in the house
I said Ace in the house
I said Ace in the house

[Crowd:]
Yo, Ace is in the house
Yo, Ace is in the house
Yo, Ace is in the house
Yo, Ace is in the house
Yo, Ace is in the house
Yo, Ace is in the house
Yo, Ace is in the house
Yo, Ace is in the house
