Sometimes I can't he-help myself...

AwwwwwwWWWWWWWWWW yeah!

[Verse One]

It was a few years back...if I recall...

I was out on tour, Miami, just havin a ball!

Had a few Medinas one night, we decided to hit this club

Twelve deep, gotta FREAK, 'cause y'know I got major pub

Little did I know that I was in for a big surprise

Met this lil' sweet cutie thang wit' them beautiful golden thighs

+He+ said, "Tony, y'know I'm playful we can, huh, do the Do"

I said, "I'm goin' back to my plac' baby, the Falcon ? Bleu?"

We got off the elevator, to my suite on the nineteenth floor

But inside, my boy {?} was tearin' UP this score

So me and this little ?isph? drove down to the beach and ssoothed

I was diggin' up sand and that baby howlin' at the moon

I was all up in the mix and everything was copasetic

An officer came, shined his light, and said ("Son, you can forget it!")

I yelled for help, but the punk said, "There's no one left to save ya"

DAYMN! [Damn] Locked up for my um...freaky behaaavior

(Work..in...on...my...frea-ky...behavior)

My freaky behavior

(Work..in...on...my...frea-ky...behavior)

My freaky behaaaaavior, whaaa...

(Work..in...on...my...frea-ky...behavior)

Sometimes I can't he-help myself...

("Work..in...on...my...frea-ky...behavior" 4X)

I remember back...when I was five-and-a-half
Hangin' out a my homie's lil' six-year old birthday bash
Me and my next-door neighbor, Big Willie, know him
that well
I used to play with him anyway, 'cause his mom was
fine as hell!
Y'know one of them brothaz, who's moms look real
young...
And just ta get a glimpse, you used to go over and play
wit' her son, yeah!
Well back to this party, it was boring and kinda slow
Playin' "Pin the Tail on a Donkey", hey, and my turn to
go
They blindfolded me, but I could see her so, yes
I pinned the tail smack-down, boom, Kenny's mom
chest
I couldn't help myself y'all, ha-as the Lord is my Savior
WHOO, I got the whoopin' of my life from my ya... my
freaky behaaavior, whaaa
(Work..in...on...my...frea-ky...behavior)
My freaky behavior, um...
(Work..in...on...my...frea-ky...behavior)
My freaky behaaaavior, what?
(Work..in...on...my...frea-ky...behavior)
My freaky behavior...

Since I'm from Cali...I do a lil' swimmin'...

This one particular time, I had a whole POOL fulla
women

One swam over ta me, and of course she was doin' her
breaststroke

Very damn extremely trimmin', she looked very dope!
She said, "Let's go inside, Tony! And make love for
{?}"

I said, "Why we gotta go inside, baby? Let's do it right
here!"

She said, "Here? In front of all these people? No way,

forget it!"

I swam away, she said, "WAIT! Okay, I'm wit it!"

She took off her bikini, so I KNOW it was time to jam...

and I was on the water, knockin' boots like Blackuaman

[Aquaman] can!

She start to drown, so of course I have to save her!

DAYUM! [Damn] I just can't help it chya'll it's my...freaky
