Orlanda... fat-ass Honda  
The homies! The homesssss  
Now what we talkin 'bout, yo tell 'em  
The homies! Heyyyyy  
What we talkin 'bout, everybody lemme hear you say  
The homies! Youuuuuuuuuuu  
The homies, the homies

Ain't nuttin like a homey, if it is show me  
You're puffin that skunk, homeboy you musta known  
me  
Me and my boys been through thick and thin  
And if one of us is losin, none of us win  
I remember days early 80's, junior high  
Triple A, Wink Dog, Custom G, we was fly  
The stupid groupie, man we used to please her  
All around the world couldn't find a better pleaser  
You used to try to lecture me, man you tried to scold  
me  
Uh-oh, too late, here commmmmmmmmes the  
homies! Hey hey  
Here they come, oh shit  
Everybody here they come

The homies! Yeahhhhhh  
Everybody everybody here they come  
The homies! Hoooooo  
One time check this out

Ain't nuttin like a homey when you need support  
And especially, when your pockets is short  
Homeboy I need a C-note, my funds is lack  
Here you go buddy, no hurry to pay it back  
You know what I mean? That's a true friend  
And I would be there with my homey 'til the day it end  
Cause I don't really give a fuck, my rhyme...  
Can I say that man? Can I use that verse? Okay I won't  
I don't really give a fuck I got my homeboy back  
In case a sucker's playing king, he might get jacked  
And I'll always remember what my brother told me  
He said Loc, ain't nuttin like a homey, hey hey hey hey

You know what I'm sayin? He said  
Ain't nuttin like a homey, hoooooooooo!  
Hoe what you sayin? Nuttin like a donut, heyyyy  
Fat motherfucker
