why every time i meet a guy who wants to try to get
my mathematics i deny he wants to take me home hes
out of his mind will i ever meet someone for me hes
gotta be the one that im daydreaming to spend my
time
with hes gotta be the one with no cicks attached and
thats my man to all my girls that dream know what im
talking bout the ones that make us cling to the thoughts
of loving hes so fresh hes so clean yes and i call
and he calls me too thats why hes bad my place his
pad i can never get enuf
