[Chorus]

Better check up on your girl 'cause I'm a pervert!  
I'm a pervert! Down to do some dirt  
Better button up your shirts, 'cause I'm a pervert!  
I'm a pervert! Biggest freak on earth  
Better cross your fucking legs, 'cause I'm a pervert!  
I'm pervert! Eyeing up your skirt!  
I said my mind is in the gutter, I'm a pervert!  
I can't help it! That's just how I work

[Tonedeff]

Oh yes, I'm that cat that your mama warned you about  
See I don't care if you're a ditz or if you're clever (No)  
I've got a penchant for mentally undressing  
Sexy specimens of the feminine gender (yeah)  
Since that's the case, I'm dickin down entire cities of  
chicks  
In broad daylight and in the middle of the street  
But see, it's all in my head, and though we'll probably  
never meet  
I've seen you nude and on your knees  
I'm walking 'round with mirrors on the tops of my shoes  
So, don't get lazy, ma - I can tell if it's bushy  
Now, Peeping Tom's a pussy, no need to hide or be  
pushy  
It's way more fun when I know that you see me looking  
I've got a confession to make, and the truth is  
If I'm spending the night over yours to sleep (You better  
lock your door)  
Cause in the morning, the minute that I'm alone  
I'll be sniffing your girl's panties when you leave

[Chorus]

Better check up on your girl cause I'm a pervert!  
I'm a pervert! Down to do some dirt  
Better button up your shirts, cause I'm a pervert!  
I'm a pervert! Biggest freak on earth  
Better cross your fucking legs, cause I'm a pervert!  
I'm pervert! Eyeing up your skirt!  
I said my mind is in the gutter, I'm a pervert!  
I can't help it! That's just how I work

[Bridge]

Don't gimme that look, like you don't want it as much as I do

You prolly feeling my desire times two  
Make a move, girl, you know it's time to  
Don't be timid, girl, shy's for high school  
I wanna get you from behind and grind you  
Really, if you're girlfriend is bi, cool  
We can all intertwine, true

[Tonedeff]

Let's cut to the chase, ma - There's a reason that rubbers exist

And I'm another son of a bitch that's hunting for kicks  
The fun of it is, wouldn't you rather have somebody sucking your clit  
Then to be stuck in this shit-hole of a disco?  
Let's go bake a naked pretzel, Pet Tone's snake and make it spit all over  
Your lips  
The width of my dick is so thick, it won't fit in the midst of a ship's  
Haul  
Did you call me chauvinist? All because I just wanna be blown and kissed  
Lick your slit and just make you moan in bliss, Stick my dick in your  
Kizzle-hole and jizz  
You know what your motive is, otherwise, you would've stayed home and shit  
Roll with it, my hope is this, we fuck and your homegirl's next  
Only smoking chicks apply to ride T  
And no little bitches get by me, cause I check I'd  
Kindly, step away from the cock if you ain't got the jist to freak  
Gimme your heiney - it'll fit - you'll see!  
I'm a pervert and your Ms. Discrete  
Leaving a bitch with more glistening shit on her neck than Mr. T  
Skillfully spread the legs she's wet between, I'm thrilled to eat! Pussy's  
A delicacy  
I'm getting obscene, but I can't think of another way to be letting off  
Steam  
Unless you let me get a pet in your jeans  
I'm stretching the seams with my hands in abandon  
feeling titties in tandom  
But I can't stand to take it anymore

I got plans to act, a true pervert will fuck you till you're  
handicapped  
And so, gimme your number, nah, fuck it, gimme a  
hummer  
Shimmy your bum around her mug and then cum to  
gimme the thunder  
Stick it up under your G-Spot, and rock on  
Then watch the replay at 'Shhh! Iwonttelnobody dot  
com

[Chorus]

Better check up on your girl cause I'm a pervert!  
I'm a pervert! Down to do some dirt  
Better button up your shirts, cause I'm a pervert!  
I'm a pervert! Biggest freak on earth  
Better cross your fucking legs, cause I'm a pervert!  
I'm pervert! Eyeing up your skirt!  
I said my mind is in the gutter, I'm a pervert!  
I can't help it! That's just how I work
