I feel you

Your sun it shines

I feel you within my mind

You take me there

You take me where

The kingdom comes

You take me to

And lead me through Babylon

This is the morning of our love

It's just the dawning of our love

I feel you

Your heart it sings

I feel you the joy it brings

Where heaven waits

Those golden gates

And back again

You take me to

And lead me through oblivion

This is the morning of our love

It's just the dawning of our love

I feel you

Your precious soul  
I feel you  
And I am whole  
I feel you  
Your rising sun  
My kingdom comes  
I feel you  
Each move you make  
I feel you  
Each breath you take  
Where angels sing  
And spread their wings  
My love's on high  
You take me home  
To glory's throne  
By and by  
This is the morning of our love  
It's just the dawning of our love
