Nutty nutmeg Phantasy

can't you see

you and me

in my nutty nutmeg

you and me

can't you see

you and me

in my nutty nutmeg

(verse 1)

Baby, I know we had a bad day and you are so mad at me

it don't mean we have to mope around

picture us on the moon

happy like a cartoon

believe in love and it will come down

(chorus)

(verse 2)

Picture, i was understanding and you were less demanding

and the only time we scream and shout

is when we're making love babe on top of cloud 8

belive in love and it will come down

(chorus)

(verse3)

Image, and maybe it will happen

you and me till the end

maybe i'll dream but it's real to me

choclare covered roses

love in massive doses

in my nutmeg phanta-tasyyyyyyyyyy!!!
